Dear Potential Sponsor:

We look forward to inviting you back to Carson High Stadium for the Fall 2021 Carson High Football season! Our goal is to be self-funded to ensure every athlete is offered the opportunity to play football or cheer. We rely on the generous donations of our community members to attain this very ambitious goal. With your support, we are not only fortunate to field competitive football and cheer teams, but also to have one of the best athletic facilities in the state of Nevada.

This season Senator Varsity Football is competing with the best, most elite programs in the state, and we look forward to the challenge. Senator football welcomes back an all-star lineup, including five players recognized by Prep Football Northern 5A. This season the Senator Varsity Cheer is charged with infusing spirit at athletic events and in the community as well as participate in national competitions. Senator cheer is a nationally ranked team working to repeat their success again this year!

Please consider supporting Carson High School Football and Cheer for the fall 2021 season with an advertisement in our annual magazine. In addition, your contribution will be acknowledged on our social media pages and at home games. All donations are tax deductible (tax ID: 88-0341447) and the entirety of your donation will go to the CHS Football and Cheer programs. Thank you for your support.

Sincerely,

Rob Heaton
CHS Football Booster President
